Dear Ms. Nathalie Drummond:

As you may know, our firm has been representing Mrs. Michelle Kind in the acquisition of her family inheritance from a dormant Swiss account into Canada.

Late last night, police authorities showed up at her residence and took her away. We're currently unaware of the full status of the charges and have only very brief contact with her. However, she has made it very clear to us that she is innocent of the charges and that she wanted us to deliver this book to you as soon as possible. She seemed to believe that you could provide assistance to her but refused to clarify this point further.

If you have any insight to this matter, please let us know.

Signed,

Partner / Senior Attorney
